

## 212 Series Wall Thermometers

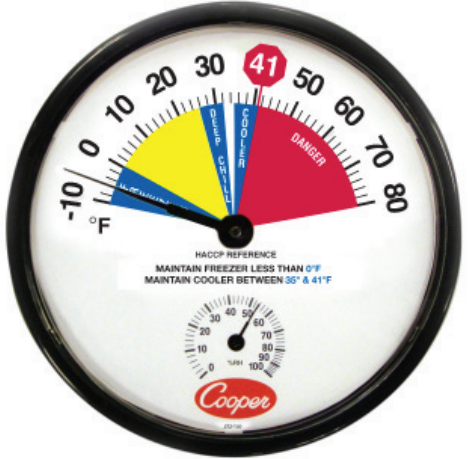

The 212-150 Indoor / Outdoor Thermometer, 212-158 Prep Area and Dry Storage Thermometer and the 212-159 Freezer and Cooler Thermometer are 12" / 304.8 mm in diameter. The 212-158 and 212-159 feature brightly colored HACCP reference color-zoned dials for ease of viewing and increasing employee awareness while monitoring temperatures. All three units have a 0% to 100% Relative Humidity dial.
