Accessories

- **Test Leads**
- DL243C Basic Test Lead Kit
 - DL248C Deluxe Test Lead Kit
 - DC205B Deluxe Hard-Shell Carry Case
 - VC221A Soft Carrying Case
 - DC207B Large Hard-Shell Carry Case w/space for current clamp and extra accessories
 - HV-231-10 40kV High Voltage Probe
 - RF241 650 MHz RF Probe

- **Current Clamps**
- CT231A 200A AC
 - CT232A 1000A AC
 - CT234A 400A AC
 - CT236 500A AC (mV Output)
 - CT235 1000A AC/DC
 - CT237 200A AC/DC
 - CT238 20A AC/DC

- **Temperature Probes**
- TC253A Temp. Converter Module
 - TP255 Bead Probe
 - TP254 Immersion Probe w/Handle (up to 1000°C)
 - MH101K Master Probe Handle (for Tips below)
 - TP110K Immersion Probe Tip (up to 650°C)
 - TP120K Surface Probe Tip
 - TP130K Air/Gas Probe Tip

"No Hassle" Warranty Program

A leading manufacturer of communications test and measurement equipment since 1964, our commitment

to reliability and high quality is backed by the industry's only "No Hassle" Warranty

Program. Should any

Wavetek T-shaped meter require warranty service, your

local dealer is authorized to replace it on the spot. No

waiting, no freight charge, no hassle! This dedication to

service excellence is supported by a worldwide network

of Wavetek dealers and distributors.

Look to Wavetek

Wavetek is a world leader in DMMs and has the full

range of portable instruments suited to meet your

specific testing needs. Look for Wavetek's distinctive

blue and yellow color scheme for maximum reliability

and trouble-free test instruments you can count on.
