

Receive up to \$5,000 Trade-in Value

toward a new Flir premium camera

Upgrade your current thermal camera¹ to the new Flir premium thermal camera (models include Exx, Txxx, and iXX) to receive up to \$5,000 in trade-in value **only through Dec 31, 2026.**

Stay ahead with the most advanced thermal cameras on the market and enjoy:

- **App-Powered Simplicity:** Streamline inspections with the iXX-Series—Flir's app-powered thermal cameras designed for teams of all skill levels. Capture, share, and analyze thermal data effortlessly, with support for Flir-developed and third-party apps that evolve with your inspection needs.
- Pair your Exx or Txxx-Series camera with a **Flir FlexView®** dual field-of-view lens to conveniently switch from standard to telephoto imaging with one push of a button.
- Superior resolution plus **Flir UltraMax®** and **MSX® image enhancement** that produces the most vibrant, easiest-to-interpret images.
